First Nations Public Service Secretariat

May 12, 2021

# Health & Wellness Planning Approach

First Nations Health Authority  
Health through wellness

Repositioning health and wellness planning to:

- ✓ Support community-driven planning based on goals & priorities, not just FNHA funding
- ✓ Implement a wellness focus
- ✓ Establish planning partnership with communities
- ✓ Align community plans within a broader planning ecosystem (i.e. provincial, regional, and sub-regional plans).

**FNHA is a health and wellness planning PARTNER and FUNDER**

# Health & Wellness Planning Toolkit

First Nations Health Authority  
Health through wellness

Toolkit can support community or Nation level planning

- ✓ Support development of Health and Wellness Plans
- ✓ Enable collaboration, coordination and quality of services
- ✓ Share Plan Templates, planning tools and ideas
- ✓ Introduce Planning, Reporting and Evaluation Standards

Health through wellness

# Planning, Reporting and Evaluation Standards

Driven by BC First Nations' health and wellness journeys and priorities

Guided by First Nations culture and values

Enhances First Nations decision-making over health and wellness

Based on relevant health information and data

Enhances required health care safety standards

Builds First Nations health human resource capacity

Culturally humble and safe

Respects protocol, title, rights and existing agreements

Reflects sustainable and appropriate use of resources

Leverages strategic partnerships and collaboration

Prioritizes quality improvement of programs and services

## VISION

Healthy, Self-Determining and Vibrant BC First Nations Children, Families and Communities

Excellence in planning, reporting and evaluation

# Grounded in the 7 DIRECTIVES

# FNHA Community Development Team

- Supporting over 104 First Nations communities/organizations who are actively planning

## Supports

- Coordinate FNHA community development/planning expertise and implementation
- Provide upfront health and wellness planning supports
- Facilitate single-window wraparound supports for service delivery needs
- Review your Health & Wellness Plan and provide feedback along your health and wellness planning journey
- Help path-find necessary planning tools, resources, and funding information
